## Web Design / Hosting Packages

### 2-3 Page Package

\$300 (\$750 value)

Text describing your business in (1) paragraph plus additional text of your hours, address, phone and email address. In addition, Stone Web Design will photograph (2) scenes of your business (exterior, interior, headshot, etc.) If available, will add your high-resolution logo or (2) of your high-resolution photos.

### 5-7 Page Package

\$550 (\$1500 value)

Starting with the above package, Stone Web Design will also create a more custom, in-depth look to your site with categorized areas on different pages such as Home, Services, Products, Contact, History, About Us, News / What's New, and Photo Page, etc. The site will flow and demand more attention than the basic website.

### 5-7 Page Package with Video

\$1050 (\$2250 value)

Add to the above package a 1-2 minute high-quality interview based video shot in high definition with cutaways of your products and services and edited with royalty free music. This video production service is provided by Highlights Media, a company with 25 years of experience in TV and web-based commercials.

### Maintenance Package

\$ 60.00 per page

This package is available for businesses/organizations that already have a website and would like the pages maintained or updated. This includes photo updates and text updates upon request. Including word suggestions that may assist in Search Engine Optimization. \*\*Must have FTP access to site.
